Kingsley Dikibo
MD/Chief Executive Officer

Dear Reader,

Welcome to a thrilling journey of our business compass.

Introducing you to a world of a redefined business and service delivery. A profound touch with excellence and innovations. Bringing to you a reliable dimension in our philosophy of smart commitment to proficiency, effectiveness and results. With our collage of exceptional competence and professionalism, lies the deep-rooted trust to our values, as we aspire to, not only serve with a wholehearted devotion to your satisfaction, but also thrive in building a new sphere of sustainable productivity, services and shared economic prosperity.

Ours is a journey of irrefutable success in Oil & Gas (Mechanical Services), Maritime Services and Logistics. A myriad of operational competencies. We deliver with the ease of latest technology and managerial precision; driving business growth and advancement.

Welcome to the world of AMKIC Integrated Services Limited.

Signed
(MD/CEO)

ABOUT US

We are AMKIC Integrated Services Limited, a privately-owned company registered under the Companies and Allied Matters Act of the Federation of Nigeria with operational services focused on the wide advantage within the Nigerian and, particularly, the African market value.

With a multinational market influence in Oil & Gas (Mechanical Services), Maritime Services and Logistics, AMKIC is poised to lead the way in redefining technological revolution in line with modern demands for fast, resourceful and satisfactory delivery at a minimal cost demand. In AMKIC, we combine experience, competence and innovation with substantial capacity in meeting the needs of our market reach.

We exhibit high professionalism in oil & gas services, focusing on pipe laying, pipe coating, tank cleaning, construction and rural electrification; establishing our business and investment skills in maritime vessel and facility upgrade, management and services, combined with a flexible network of efficient trans-Atlantic, intra-continental, national and local air, land and sea voyage and logistics services.

AMKIC is not only the brand with the right business philosophy, but a committed partner reposed with the trust of transforming the Nigerian and, indeed, African business landscape in reaching the business value-chain rooted in our communal interest for shared prosperity.

At AMKIC, we stand tall with our foreign partners in delivering the most reliable Oil & Gas Services, Maritime and Logistics Services with high success ratio in completing our contractual services at all time.

VISION STATEMENT

Our vision is to build a leading company with operational entities that deliver the best global standard services in the Oil & Gas, Maritime and Logistics from Africa.

MISSION STATEMENT

- To establish sound and resourceful business management structures that will favourably distinguish AMKIC Integrated Services Limited with thorough and recognized capability in the Oil & Gas (Mechanical Services), Maritime and Logistics services.
- To unlock the Oil & Gas (Mechanical Services), Maritime and Logistics service potentials of Nigeria and the Sub-Saharan Africa, and take a leap in time using cutting age technology in quantum-boosting the industries.

CORE VALUES

Our core values are critical to our success. They are the strong foundations for AMKIC Integrated Services Limited; underlining our vision and goal. These values include:

- Performance Excellence. We act in sync with our brand philosophy; always seeking to meet and exceed our client and market expectations.
- Teamwork. We act as a tact team, committed to each other, bound by trust and loyalty and dedicated to the overall goal of the company.
- Integrity. Honesty and Integrity are our watch words, and the fundamental principle of our business and operational conduct.

AMKIC Integrated Services Limited operates a tripod business and service subdivisions with the established capacities to enhance the core and allied industrial processes across the distinct sectors, with focus on Nigeria and the Sub-Saharan Africa, as the future of global economic interest, policies and investments.

Our primary operational services are focused on;

a. **Oil & Gas (Mechanical Services);**

- Pipe Laying Services
- Pipe Coating Services
- Tank Cleaning Services
- Construction
- Rural Electrification, and
- Allied Services

b. **Maritime Services and Allied Matters;**

- Terminal and Dockyard Services
- Maritime Facility Management and Maintenance
- Vessel Supplies and Management Services

c. **Logistics Services;**

- Trans-Atlantic Logistics Services
- Intra-continental Logistics Services
- National and Local Logistics Services
- Air, Land and Sea Voyage and Logistics Services

OPERATIONAL SUBSIDIARIES

We employ the best of well-trained professionals in the various business sectors, with a mandate to consistently deliver on the business philosophy of AMKIC to all categories of clients.

The operational subsidiaries include;

AMKIC OIL & GAS

(MECHANICAL SERVICES)

AMKIC Oil & Gas is a major subsidiary of the company, with a high-net experience in managing and delivering excellent mechanical services for our wide range of clientele in the oil & gas industry. Our collage of well-trained experts and a solid front with our foreign partners in the mechanical subsector of the oil & gas industry, rightly positions us in redefining and rendering guaranteed and top-notch services to a variety of companies, in Nigeria and the Sub-Saharan Africa, using modern systems and technologies.

AMKIC Oil & Gas (Mechanical Services) is built on outstanding excellence. We pitch our tent with integrity, exceptionalism and professional competence in all our engagement, as a subsidiary; focusing above all, on upholding our core values in every service delivery, as our watchword. With a structured administrative system and well-trained skilled workers, our commitment and focus in AMKIC Oil & Gas (Mechanical Services) covers;

- Pipe Laying
- Pipe Coating
- Tank Cleaning
- Construction
- Rural Electrification, and
- Allied Services

AMKIC

MARITIME SERVICES

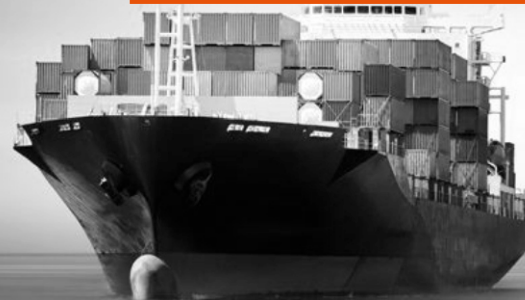

In AMKIC Maritime Services, our wide network of experience and technological innovations have given us the edge in the administration of Maritime Services in Nigeria and the Sub-Saharan Africa.

Our understanding of the key principles of Maritime Services in the region, has endeared us to our foreign partners in the sector. We run a robust, compact and refined managerial output and allied services for large and medium firms, with a resolve to deliver at the best international standard.

• Our professional services in the Maritime Industry covers;

- Terminal and Dockyard Services
- Maritime Facility Management and Maintenance
- Vessel Supplies and Management Services
- Allied Industrial Services and Contracts

**AMKIC
LOGISTICS**

AMKIC Logistics is a division of the AMKIC Integrated Services Limited, with its operational focus on delivering world-class logistical services for local, regional and global clientele. Although our primary focus is the African market, we run multinational services across the globe with our renowned partners in the industry.

We are dedicated to:

- Trans-Atlantic Logistics Services
- Intra-continental Logistics Services
- National and Local Logistics Services
- Air, Land and Sea Voyage and Logistics Services

OUR MARKET SPREAD

- AMKIC capitalises on the yawning business gaps in our focused sub-sectors in driving our market reach, particularly in Nigeria and across the African continent. We maintain the carefully crafted dedication and influence in meeting and actualising a substantial contribution and participation of the Sub-Saharan African in the global oil & gas business, maritime services and logistics. This philosophy has been the key motivation and major contributor to our market spread.
- We pride in our huge investment in technological advancement and professional competence for the administration of our business reach and market influence, which is primarily centred on Africa and surrounding business environment.
- We similarly evolve increased business innovations, contributing massively in advancing the Maritime and Logistics industries of the Sub-Saharan Africa, with our goal of redefining the concepts of business execution in the Maritime and Logistics Sector with ease, and guaranteeing our local and international market the confidence of robust, seamless and efficient services for a large spectrum of our clientele and business reach across the global.

OUR BUSINESS MANAGEMENT PHILOSOPHY

STRATEGY

Our strategy is based on delivering strong, viable and profitable value proposition in a niche market. Hence, our operational strategy for achieving the total redefinition of the Oil & Gas, Maritime and Logistics Business scope of the Sub-Saharan Africa.

Some of the Business Management Philosophies of AMKIC include;

- A. Reliable Partnership – we have strong, effective and reliable operational and partnership base with unblemished business dealings and delivery records.
- B. Strong Financial Base – we have strong fiscal policy that provides healthy financial support base in strengthening our operations, plans and projects.
- C. High Skilled Workforce through successful training – AMKIC invests huge resources in the capacity training and development of its employees, resulting in a workforce that is not only skilled and competent but also motivated for efficiency.
- D. Successful track record of investing and developing new projects – Proficiency and resourcefulness in our scalability projects.
- E. Excellent Return on Investment – We have maintained our philosophy of outstanding record of Return on Investment (RoI).

THE MANAGEMENT

Our management is made up of seasoned business investors with trained experts in Oil & Gas (Mechanical Services), Maritime Services and Logistics business, and staff who are committed to the principles and business goal of AMKIC, as encapsulated. Our management philosophy is based on teamwork, responsibility, and mutual respect.

CORPORATE SOCIAL RESPONSIBILITY

AMKIC views its commitment to business as an opportunity to enhance the social and economic well-being of all citizens. Hence, our resolve to relate with the public, private individuals and groups, on the standpoint of a social contract to, not only deliver the best of services, but also commit to the communal development interest of the people. By this, we find every opportunity to, directly or by a third-party, support our host communities and citizens across board through our public relations and social development networks and activities, and other important projects, exclusively relevant to immediate needs of the communities.
